

Unilateral Minimum Advertised Price Policy

Through a significant investment in design, technology and personnel, The Honey Pot Company, LLC (“THP”) has established a strong reputation for providing quality products. THP has determined that advertising THP products at prices below certain levels, established by THP, undermines THP’s trade reputation, image, and marketing strategy. To ensure the value of the image of THP to their customers, the following unilateral Minimum Advertised Price Policy (“MAP Policy”) must be followed for the advertising of THP products by all resellers of the MAP Products (as hereinafter defined), including but not limited to brokers, distributors, wholesalers, and retailers (the “Resellers”). This MAP Policy is effective as of May 1, 2026 and supersedes and replaces all prior versions of THP’s MAP Policy. In the event of any conflict between this MAP Policy and any prior policy, this MAP Policy controls.

General Guidelines

1. The products covered by this policy are listed in Schedule A (“MAP Products”). THP may, in its sole discretion, modify this list from time to time.
 2. THP recognizes that Resellers are free to make their own decisions to advertise and sell any THP products. Resellers acknowledge that THP has unilaterally established the pricing policies set forth herein and will enforce them at its sole discretion. You recognize and agree that THP will exercise its right to make its own decisions regarding any THP reseller program, marketing materials, point-of-purchase displays, product allocation, new product availability, or future promotional, joint marketing, or sponsorship programs.
 3. The MAP Policy applies to advertised prices, not the price at which MAP Products are actually sold or offered for sale to an individual in-store or over the telephone.
 4. THP believes in maintaining a well-regulated and fair marketplace for all its authorized resellers.
- 

Advertising Guidelines

1. The MAP applies to all advertisements for any THP products in any and all traditional and electronic media, including, but not limited to: flyers, posters, coupons, mailers, emails, inserts, newspapers, magazines, catalogs, mail order catalogs, internet or similar electronic media, television, radio and other public displays.
 2. The MAP Policy applies only to advertised prices and does not apply to the price at which THP products are actually sold or offered for sale to an individual consumer within the Reseller's retail location. The final sales price remains totally at each reseller's discretion.
 3. Website features such as "click for price," automated "bounce-back" pricing e-mails, preformatted e-mail responses, forms, automatic price display for any items prior to being placed in a customer's shopping cart and other similar features are considered to be communications initiated by the Reseller (rather than by the customer) and thereby constitute "advertising" under this MAP Policy.
 4. If THP notifies customers that THP will be discontinuing any specific product(s), such products will not be subject to the terms of this MAP Policy beginning on the date that is twelve (12) weeks prior to such discontinuance.
 5. It is not a violation of this MAP Policy to advertise that a customer may "call for price", "email for price," "add to cart for price" or similar language, so long as no price is listed.
 6. This MAP Policy also applies to any activity which THP determines, in its sole discretion, is designed or intended to circumvent the intent of this MAP Policy, such as solicitations for "group purchases" and the like.
 7. It will not be a violation of this MAP Policy to advertise in general that the reseller has "the lowest prices" or will match or beat its competitors' prices, or to use similar phrases; so long as the reseller does not include any advertised price below MAP and otherwise complies with this MAP Policy.
 8. THP may from time to time engage in cooperative promotions, including without limitation brick and mortar promotions with corresponding on-line sales, and other short-term promotions with respect to certain products and retailers. In such events, such offerings which are communicated with THP approved start and end dates, will not be deemed to violate this MAP Policy.
- 

MAP Policy Enforcement

1. If a reseller with multiple store locations violates this MAP Policy at any one store location, or on any associated website, then THP will consider this to be a violation by the reseller.
2. MAP Policy Violations:
 - **First violation:** The reseller will receive a violation notice requesting the advertised price be brought in line with THPs MAP Policy within 72 Hours.
 - **Second violation:** Upon notification from THP of a second violation, THP will not fulfill any orders, of any Honey Pot products, placed by the reseller until the advertised price is brought in line with this MAP Policy.
3. It is THPs right to do business with whomever we choose, and we will exercise that right where we believe that the future of our brand is being compromised.
 - In the event of additional or egregious violations, THP may unilaterally terminate the retailer. Such actions will be taken solely by THP, without any prior discussion or consultation with either the retailer in question or any other retailer.
4. Any waivers to this MAP Policy may only be granted in THP's sole discretion in writing. THP sales, marketing, or other personnel are not authorized to modify or grant exceptions to the MAP Policy. In the event that THP authorizes a waiver to the MAP Policy, Resellers must strictly adhere to the terms of the waiver letter. Deviation from the terms of a waiver letter is a violation of the MAP Policy.
5. THP monitors the advertised prices of Resellers, either directly or via the use of third-party agencies or tools. Resellers are expected to provide reasonable cooperation in any THP investigations regarding possible MAP Policy violations. Hindering, obstructing, delaying, or otherwise failing to cooperate with a THP MAP Policy investigation is a violation of this MAP Policy.
6. THP may periodically discontinue products or engage in promotions with respect to certain items. In such events, THP may, at its sole discretion, modify or suspend the MAP with respect to the affected products by timely notifying all Resellers of such change.
7. The MAP Policy will be enforced by THP in its sole discretion and without notice. Resellers have no right to enforce the MAP Policy. Violations of this policy may result in sanctions up to and including termination of our business relationship, as well as any available remedies at law.
