April 28, 2016

California Safe Drinking Water and Toxic Enforcement Act (Proposition 65) Compliance

To Whom It May Concern:

All KeVita products are manufactured using packaging materials that are cleared by the U.S. Federal Food and Drug Administration (FDA) for the use as described in section 117.1520 Title 21 of the Code of Federal Regulations and may be used in food contact applications. KeVita has received certification letters from its material suppliers guaranteeing the absence of Bisphenol A (BPA) in all packaging materials.

This letter serves as a continuing guarantee that this product, when leaving our facility, is unadulterated within the meaning of the Federal Food, Drug and Cosmetic Act and further complies with all statutes included in the California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65).

Sincerely,

Ben Rush
Senior Director of Quality & Maintenance
